Sign-in to Razorpay dashboard

Activate Your Account to receive payments.

The screenshot displays the Razorpay dashboard interface. On the left is a dark sidebar with the Razorpay logo and a menu including 'Submit KYC' (24% Complete), 'Home', 'Transactions', 'Settlements', 'Invoices', 'Payment Links', 'Payment Pages', 'Payment Button', 'Route', 'Subscriptions', 'Smart Collect', and 'Customers'. The main content area features a top navigation bar with 'Test Mode', 'Documentation', and 'Announcements'. Below this is a 'Donations for Covid Relief' banner. The central section shows a progress bar with three steps: 'Test Mode Enabled' (completed), 'Account Activation' (current step), and 'Live Payments' (locked). The 'Account Activation' step includes the instruction 'Give us a few KYC details to start transacting' and an 'Activate Account' button. To the right of the progress bar is an illustration of a laptop and a smartphone. Below the progress bar is a section for account personalization. At the bottom, there is a date range selector set to 'Past 30 Days' (22 May 2021 to 21 Jun 2021) and a dark tooltip that reads 'To know how to use the Dashboard, read the Dashboard Guide'.

To know how to use the Dashboard, read the Dashboard Guide

Click on **Activate account** and follow the steps for activating the account.

Select Live Mode

The screenshot shows the Razorpay dashboard interface. On the left is a dark sidebar with the Razorpay logo and a list of navigation items: Payment Links, Payment Pages, Payment Button, Route, Subscriptions, Smart Collect, Customers, Offers, Checkout Rewards (marked with a 'NEW' badge), Reports, My Account, Settings, and App Store. The main content area has a top header with a 'Test Mode' dropdown menu highlighted by a red circle, followed by links for 'Documentation', 'Announcements', and a user profile icon. Below the header, there's a date range selector set to 'Past 30 Days' from '22 May 2021' to '21 Jun 2021', and a 'Current Balance: ₹ 0.00' with a 'View Settlements' link. The dashboard displays three summary cards: 'Payment Volume' showing '₹0', 'Number of Payments' showing '0', and 'Number of Refunds' showing '0'. Below these are filter buttons for 'Hourly', 'Daily' (selected), 'Weekly', and 'Monthly', along with a 'By Total Volume' dropdown and a download icon. A message states 'No data available.' with a tip: 'Tip: You could try again by selecting a different filter or date range.' A dark tooltip at the bottom right says 'To know how to use the Dashboard, read the Dashboard Guide' next to a headset icon. The URL at the bottom is 'https://dashboard.razorpay.com/app/keys'.

Generate API Keys

The screenshot shows the Razorpay dashboard with the 'API Keys' tab selected. The left sidebar contains a menu with items like Payment Links, Payment Pages, Payment Button, Route, Subscriptions, Smart Collect, Customers, Offers, Checkout Rewards (marked NEW), Reports, My Account, Settings (highlighted), and App Store. The main content area has tabs for Configuration, Webhooks, API Keys, and Reminders. A yellow banner at the top states: 'You are in Test Mode, so only test data is shown. [Activate your account](#) to start making live transactions.' Below this is a feedback pop-up that says 'Your Feedback Matters' and 'Hello, Developer! Would you like to take a few seconds to help us improve your experience with Razorpay?' with a 'Click here' link and a close button. A table with columns 'Key Id', 'Created At', 'Expiry', and 'Action' is present but empty. Below the table, text indicates: 'You can generate API keys in Test Mode. For generating keys in Live Mode, you need to provide your business website/app details while filling the activation form.' A blue 'Generate Test Key' button is located below this text. At the bottom right, a dark blue tooltip says 'To know how to use the Dashboard, read the Dashboard Guide' next to a headset icon.
